You can read this in the last section, International Schedule, where the first event is the Berlin's ILA and reaches the highest point with the AMEAC Congress in Zagreb. The EUROAVIA's life is full e returns more charged than ever! So, the only thing that you must do is: enjoy of this!

The last thing. Boys and Girls, your involvement in the NL is very important. A bigger number of contributions improves relationships between us and the greatness of EUROAVIA.

IB Report

Dear EUROAVIANS,

I hope you are enjoying your holidays (I definitely am :P) ! Whether it is resting time or not, EUROAVIA is always bustling with activities. This month is about air shows and our next congress coming to us this September.

DON'T THINK OF MISSING ANY OF THEM !

Farnborough International Air Show 2012

On July 13 last month, 20 EUROAVIANS were invited by EADS to participate at Farnborough International Air Show in the United Kingdom.

We had the unique opportunity to be the only group invited to visit the interiors of the A400M at the exhibition grounds with first hand explanations from EADS representatives. Right after that, we went to meet EADS human resources, to whom we asked all our career questions and gave us very interesting feedback regarding career opportunities. Finally, we attended a conference on Innovation and the future of the aerospace sector.

From that point, we could freely visit the air show and enjoy the various stands and exhibitions. The experience was truly unforgettable.

ILA Berlin Air Show 2012

This September you can't visit the opportunity to visit the ILA Berlin air show. Why's that? Because EUROAVIA has some unmatched prices to offer you. This year, you can benefit from great discounts just for belonging to EUROAVIA: - Trade days (11-13 Sep): 11.00 /day (original price: 55.00 /day) - Public days (14-16 Sep): 9.00 /day (original price: 14.00 /day)

You can now register using this [on-line form!](#)

Moreover, EUROAVIA will be present at the event with our OWN STAND. Find us at the CareerCenter on 14 and 15 September at Hall 7 stand 7204. If you want to take part in the organization of the stand you're welcome to do so, just e-mail me at borja.lazaro.toralles@euroavia.eu

I am looking forward to meeting you there!

AMEAC Zagreb 2012

The Annual Meeting of the EUROAVIA Congress is rapidly approaching.

This year we meet at... ZAGREB ! Don't miss this wonderful opportunity to participate in the decision taking process of our association, meet new friends and visit one of Europe's most beautiful spots.

I look forward to meeting you at Zagreb from 16 to 23 September next month.

Terrassa

Dear EUROAVIANS,

This is a day that I knew would eventually come, but I still have mixed feelings about it. These are my last lines as EA Terrassas IEM. It has been a long time since I replaced Gisela in this function, and I have surely had lots of fun, but all things come to an end, and this particular path ends right here. It has been a pleasure for me to keep you all (at least those of you who cared to read ;D) informed of each and every happening in EUROAVIA Terrassa, but I am positive that Antonio will do a great job (as you will be able to check if you keep reading!), as all the new members of the Local Board will. Most of us the old guard are leaving Terrassa this year and doing our last year abroad, so it was about time to let the new generation step up. Fortunately there is a whole batch of willing volunteers who want to give their best effort (and their soul, yet so far we have been quite successful in not mentioning this petty fact) to help EA Terrassa grow even more. In this regard, the EUROAVIA Terrassa electorate decided that the 2012-2013 Local Board will be as follows:

AS Terrassa LB

President:	Barbara Álvarez
Vice President:	Albert Baenas
Secretary:	Valentín Valhondo
Treasurer:	Marco Rampone
IEM:	Antonio Shu
ICM:	Jordi Mensa
Executive Members:	Xavier Becerra
	Miquel Ferrer
	Pau Manent
	Olga Martos
	Martí Navinés
	Albert Ramírez

On behalf of all the leaving Local Board members, I wish the 2012-2013 LB the best of lucks in this new period that now begins, and remain and their disposal. Without further delay, I leave you in the skilled hands of Antonio. For my part, I only want to add a big, big thank you for all the years and the incredible times, and definitely and wholeheartedly, see you around Europe!

Dear EUROAVIANS,

I have the great privilege to introduce myself as the new Terrassas IEM. My name is Antonio Shu and I just recently joined the board of EUROAVIA Terrassa. I cant wait to start contributing in the Newsletter and I hope I will be able to meet you all in the future.

First of all, I wanted to acknowledge our former IEM, Guim, who has done an extraordinary job in this position these pasts years and has earned all our respect with his hard work and ambitious ideas. We wish him all the best in his future endeavors and we hope he will have the unruffled final year he deserves.

Our new local board has some goals that we hope will be accomplished in the next 12 months. The projects are going very well and this term we will focus on broadening the interest in two of them, TGS and CANSAT, which have been flying low these past couple of years. Moreover, we are also going to celebrate one impressive feat of our own, the 5th anniversary of our association. It is just incredible for us to have arrived to this point and we just hope that we will be able to make it bigger and better in the near future. It is time to start working or we wont get there!

So stay tuned as we may soon reveal some stunning surprises that you will thoroughly enjoy!

See you around Europe!
